PRINCIPAL'S REPORT

Thank you to families who have supported the Winter Raffle. The Grade 6 Dinner committee is doing a great job and they have sourced some wonderful prizes.

A reminder, that school photos are scheduled for next Tuesday. Full school uniform, attendance and punctuality are important aspects to be mindful of. Can I draw your attention to the letter from the Book Fair Committee which is attached to this newsletter. The dedicated committee is a small one and needs your support. Can you help? Please ring the front office and leave your name and details and a member of the committee will contact you.

The grade 5/6 students went on an excursion to Earth Ed in Ballarat. A fully funded outing which supports the student studies in Environmental Science and Sustainability. I am pleased to report that the students were highly engaged in the activities.

Well done to the students who sat the ICAS Science Exam last week. A number of students are sitting the ICAS Spelling Exam next week.

I did a small activity in assembly this week, attempting to illustrate how valuable it is to put big things first and not let little things get in the way of what is most important. You might like to talk to your child about this activity. We are trying to reinforce the importance of not reacting to little things all the time but to remain focused on the bigger and more important elements of life. I would welcome feedback if you would like to share any conversations that come from this.

Staff are working hard on reports. Once we go through the proof reading and printing of reports they will be ready for distribution on Friday 28th June. Earlier distribution is not an option, therefore students will need to be in attendance at school on Friday 28th, or collect them next term.

We would like to congratulate Ruth Hiatt on being awarded the Order of Australia Medal for her services to Religious Instruction and Community. Ruth is a valued member of our religious instruction team.
