The songs, actions and narration we are rehearsing are coming together nicely. This is in three weeks on **Sunday 11<sup>th</sup> August** at 2pm. Tickets are: adults \$23/ child \$8.

**Bookings** are through Wendouree Centre of Performing Arts on: **5339 5994**

## CURRENT FOCUS

---

### Goal Setting

Setting goals means working out what you want to achieve before you start! If you do this well then you can achieve what you want. When setting goals try to make them realistic – in other words, try to aim for something that you *can* achieve and most importantly aim for something you really *want* to achieve. We can set ourselves short term and long term goals. You may have goals with your learning and interactions at school and goals outside school (sport, music, at home, helping others in the community) too!

Work out what you want and go for it!

Chris Tsiplakis ☺
