CURRENT FOCUS

Co-operation *(Including Others)*

Including others in your games and activities makes everyone feel good. It means that you are generous, willing to share your time with others and that you care about their feelings. If you include others in your games, they are more likely to include you when you are looking for someone to play with or talk to.

Look around and see if there are others who might like to join in. Sometimes they might not ask to join in but they may be standing close by. Remember there are many ways that we can include others when we are working in our classrooms, group work and in other learning situations.

PRINCIPAL'S REPORT

The Swiss Italian Festa was a great event. All three schools fully participated and I would like to acknowledge the extra work our staff put in place around lantern making, mask making, drawing competitions, banner making and involvement over the weekend. Also could I acknowledge the parents who were directly involved, particularly the amazing Polenta team from Yandoit and the promotion of our new recipe book by Kathleen Murray.

The launch of our new KG recipe book 'Grow, Cook, Eat' has gone well, with many parents supporting the school by purchasing one. We also have a number of businesses supporting the school by making the books available at their business; Paradise Books, Overwrought, Chocolate Mill, The Mill, Wine Café, Glenlyon General Store, the Wombat Café, Taralee Urquhart and the Visitors Centre, which is terrific.

SWISS & ITALIAN FESTA FUNDRAISER THANKYOU

The Polenta and Napoli Sauce Food Stall is indeed our largest Fundraising event for the year.

However, a HUGE amount of hours were involved in the purchasing of ingredients, registering our Food Stall with Streetrader, preparing the Napoli Sauce and the Polenta, transporting, setting up, working the BBQ, serving the customers and packing up following the day!

PHEW!! A great deal of WORK.

We would like to thank Chitra, Lisa and Sharon for all their work before, during and after the event. Without your preparations, we may not have been able to get this stall up and running.

Thank you also to all the parents who worked on food preparation, setting up/packing up the equipment, serving and cooking on the day, providing donations for ingredients and providing goods for the Bake Sale.

We raised a colossal \$ 916.60.

SWIMMING PROGRAM

Each year we participate in swimming program at Daylesford Primary School Swimming Pool.

The program takes place in the afternoon and we will need parent drivers to assist the teachers to transport the students into Daylesford from 1.30.

We are still finalising the arrangements and cost, but expect the lessons to cost approximately \$25.

BOOK CLUB

Final day for orders is Friday 15th November. Payment must be made at the time of ordering,

Daylesford Lawn Tennis Club

At last winter is over and the grass tennis courts at West St Daylesford are ready for the start of junior tennis. Daylesford junior tennis is for all ages and abilities and happens every Saturday morning. Tennis is a great summer sport and a fun way to get fit and learn new skills. For primary aged children, the club hosts a special beginner clinic to assist children to develop the necessary tennis skills to join the junior competition. The clinic starts promptly at 10.00am – 11.00am and it's OK if you can't make it every week. Membership for beginner players is \$50 and includes the use of the courts over the whole season. For further information visit the website www.daylesfordtennis.com or call Vicki Horrigan on 5348 3894 or just come along before 10.00am on Saturdays.

Tennis is also for adults too and there are lots of opportunities at the tennis club to have either a social or competitive hit of tennis –so don't just let your kids have all the fun... visit the website for further details.
