PRINCIPALS REPORT

On behalf of all the children and staff of DPS and the Annexes, I would likely to pass on our sincere thanks to everyone

involved in the highly successful Book Fair. Due the hard work by the members of the Book Fair committee, Merrilyn Sim, Trefor John and Nel Staite and the wonderful support by a strong number of parents and staff who volunteered their time from Friday, through to Sunday, a grand total of \$5511.75 was raised. This is a terrific effort and these funds go towards supporting the teaching of Literacy throughout our schools, so every child will benefit.

Thank you to the parents who have returned the parent opinion surveys (final date for return is Tuesday 13th August).

Finally, I am taking two weeks LSL. During my absence Mr T and Ms McHugh will be sharing the role of Acting Principal.

Peter Burke.

ONCE UPON A TIME IN YANDOIT

Several of our families attended the talk 'Memories of High St Yandoit' last Saturday at Yandoit Hall. Our students had written questions to be asked at the afternoon talk. Here are some of the questions and answers.

What games did you play?

There used to be a maypole we played around. Marbles, cricket and rounders, a game with broomsticks and a tennis ball and hopscotch.

What happened when you got in trouble?

Did the teacher hit you with anything?

Yes, a big leather strap. The teacher used to raise it above his head and hit us as hard as he could. I remember getting the strap on my very first day for talking too much. We used to try to pull our hand out of the way just at the right moment to make the teacher hit their own leg.

What did you have for lunch?

Pretty much the same as today. An apple and a vegemite or cheese sandwich.

Daylesford Outside School Hours Care has decided to make greater use of our fantastic facilities and program at the church hall in Central Springs Road by offering a series of clubs for primary age children throughout each week.

We will be starting off with the Clay Club, an hour of ongoing ceramics tuition and projects with local ceramicist Minna Graham each Wednesday at 4.00pm.

Our after school program will run as usual each day with our regular educators but with the addition of the clubs. Children attending for just the after school care or the for the clubs will be collected from school by our educators, provided with afternoon tea and will only pay outside school hours government subsidised fees as per usual.

We are intending to start a science club, an animation club, a soccer skills club but also invite suggestions from the community. Clay Club will start Wednesday 7 August. Contact Julie McLean on 5348 3702.
