**Current Focus**

**Co-operation (Including Others)**

Including others in your games and activities makes everyone feel good. It means that you are generous, willing to share your time with others and that you care about their feelings. If you include others in your games, they are more likely to include you when you are looking for someone to play with or talk to.

Look around and see if there are others who might like to join in. Sometimes they might not ask to join in but they may be standing close by. Remember there are many ways that we can include others when we are working in our classrooms, group work and in other learning situations.

**Reminders around Early Departure and Late Arrival**

Students being dropped off late to school must be signed in at the office under parent supervision. We ask that where possible parents accompany their child to class to ensure constant supervision. In the case of early departure from school a reminder that a blue early departure form must be collected and completed at the office. This must then be taken and given to your child’s teacher before they can release the child from their care. No student will be released early without receipt of the blue slip.

**Students’ School Banking Volunteers Wanted**

We are seeking interest from volunteers who would be able to assist with the school student banking service on a Friday morning. This is a small job taking approximately 30 minutes with training provided. If you believe you can help, please provide the office with your name and availability.

PRINCIPAL’S REPORT

- Remembrance Day
- Discover and ANZAC project
- Swiss & Italian Festa
- Boundary Fence
- Breakfast Program
- 2015 Prep Transition Days
- Hands on Maths
- Pupil Free Day

This year the Remembrance Day ceremony was held under our flag pole. Some children sang and we observed a minute’s silence. Our school captains and I also attended the RSL ceremony at the cenotaph where our captains laid a wreath.

The RSL President also came down to our school and met with the five University students who are working with our grade 5/6 students on the ‘Discover and ANZAC’ project. This is a very exciting project whereby extensive research is being conducted on the 218 soldiers on our honour board.

The lead up to the Swiss & Italian Festa has yet again been handled extremely well by the school. Masks, lanterns, art, drawing competitions and a visit by DSC year 8 & 9 students who performed a play in Italian to our Grade 3/4 students, have most certainly promoted involvement in the Festa. I hope to see you all at the Parade on Saturday.

The first stage of re-fencing our boundary fence has been completed. As such I have informed the children that it is safe to play under the trees along the oval boundary.

Our final breakfast program for the year has been well attended and it is a timely message of the importance of breakfast for school children.

The 2015 Prep Transition mornings have started. We welcomed our 2015 Preps into the school on Wednesday. Thank you to our current Preps who relocated for the morning. Our grade 5 students will meet their buddies in two weeks.

It has been very pleasing to see the engagement in learning across the school. Two very good recent examples have been hands on Maths in Ms Thompson/Wells and Ms Jendy’s class.

Peter Burke.
