OUTDOOR STAGE WORKING BEE
Proposed Dates 11-12 Oct & 25-26 Oct (if required)

Anyone who is interested in helping out should contact Ross Redwin on 0438 077 620, or 5348 6772, or leave their information with the office.

The School Council is planning to construct an outdoor stage to be used by the students as both a play area and for staging formal or informal performances. Materials have been generously donated by Daylesford Timber and Hardware and Tony Cochrane, one of our parents. The finished stage will be approximately 3m deep and 6m long, located at the North end of the auditorium/gym, just behind the music room. Hepburn Shire Council have been involved in the planning process and have given advice and guidance and now we are ready to start the construction phase of this project.

The council intends to hold working bees to carry out the construction, and are currently seeking volunteers to support this project. Experience in building is not necessary, so anyone can volunteer, from professional builders to compete novices. All that is required is a willingness to help our children have a full and creative school life at Daylesford Primary School. Tools will be available, although if volunteers have tools they wish to use they can feel free to bring them along. There will be experienced builders assisting, so if you haven’t had much building experience but want to learn this could be a golden opportunity. We are also happy to have older students from grades 5 & 6 participate with their parents supervision, so if you want to bring them along this would again be a great learning opportunity for them. We anticipate starting construction in mid Sept, and would like to have it finished over 2 weekends, depending on the number of volunteers. We are hoping to have a B-B-Q lunch supplied on the days of the working bee, and it promises to be a really fun day.

LIBRARY  Just a reminder that there is NO BORROWING the last week of term. All books due back by the end of term.

Parent Newsletter Week 10 Term 3

Congratulations to all the athletes that represented Goldfields at Llanberris last Friday. Mr. Kiellerup reported that the students tried their best and that their behaviour was excellent. Please read his full report.

This is my final call for Prep enrolments for 2015. If you have a four year old kinder child and are intending to enrol them here at DPS then the paperwork should be at the office.

Can you help with the Farmers Arms Raffle next term? What is required is to help sell raffle tickets at the Farmers Arms on a Friday night. More information will be forthcoming around dates next term.

Thank you to the JSC for organising the Crazy Hair Day. Well done to the school community for getting behind this fun day. $250 was raised and has been passed onto the Cancer Council of Victoria.

What a great term. So many highlights throughout the term, such as: excellent goal setting by the students, excellent writing in Words in Winter, great participation in the Goldfields and Divisional Athletics, a successful Jump Rope for Heart, amazing success at South Street in debating and the choir, excellent partnerships between home, staff and students results in wonderful learning outcomes, the Indigenous Day, the incursion “People Who Help Us’ and so much more.

All this could not be achieved without the dedication of an amazing staff that work and teach at Daylesford, Drummond and Yandoit PS.

Finally, have a happy holiday, a restful break and come back refreshed ready to finish the year on a most positive note.

**Sports Report**

Last Friday 29 students from the across Grade 3 to Grade 6 students attended the Divisional Athletics Meeting at Llanberris in Ballarat. I'm sure especially for the younger students, it was an experience they won't forget as the number of students competing from around the region was the largest they had been involved in. I'm sure the students would have had 'butterflies' before their events but that certainly didn't appear to be the case.

As the day and events progressed, students attended to their particular event giving their personal best at what they were doing. While not all the students made it through to The Greater Western Region Events, it was great to see that all students supported and celebrated with each other, which created a positive team environment. Well done also goes to the students who were well organised to pack up and get on the buses as the day was running behind.

Finally, thank you to the parents and family members who helped throughout the day.

Again I congratulate all the students for their behaviour, support for each other and for 'having a go'. Well done!!

Below are some teams and names that moved from heats to finals:

- Finlay Loft – 100m
- Joe Vivian – 100m
- Jonas Paar – 200m
- Josiah Pattinson – 100m

Relay team placing:
- 12 yr old boys – 3rd place
- 11 yr old boys – 3rd place
- 10 yr old boys – 4th place
- 10 yr old girls – 4th place

Well done to these students who are going through to next level:

- Lachlan Sim – Discus
- Ben Levens – 1500m
- Finlay Loft 100m & Long Jump
- Kailah McMahon – Discus
- Gabi Kay – shot put
- Romy Streit – shot put
- Cooper Harwood – Triple Jump

Well done everyone, Andrew Kiellerup
