Newsletter Report – Week 6 Term 3

- Royal South Street
- Book Week, Literacy and Numeracy Week
- Bus Conditions
- Cyber Safety

It seems a weekly occurrence that I write of the successes of our Boys Debating Team at Royal South Street. On Monday, our boys won the semi-final arguing that Girls should have Better Female Role Models. They will compete in the final on Monday 25th August. Additional congratulations to Jaida Berridge who has been awarded Best Boy Debater - a fantastic achievement. I also wish all the best to our senior choir members who are performing at the Royal South Street competitions next Tuesday.

Next week we are holding a combined Book, Literacy and Numeracy Week. This will begin with our dress up day and special assembly on Tuesday, and culminate in our Book Week performance morning next Friday in the gym between 9am and 11am. All are welcome to attend these two fun events.

The Scholastic Book Fair will also run throughout the week. Yandoit and Drummond are also running a Great Book Swap between the two annexes.

As part of the Bus Travel Policies and Procedures, we are sending home a copy of the Education Department’s Bus Travel Conditions with this newsletter. It is important that all families read through this document whether your children currently use the bus service or whether you are intending to at some stage do so with your children. It outlines very clearly the expectations of the school, children and parents/caregivers with a particular focus on supervision and behaviour whilst on the bus. Please read this carefully and adhere to these requirements.

Finally, our Year 5/6 classes have taken part in sessions around Cybersafety over the past two weeks. We believe in a proactive approach to keeping the students informed around their use of the internet and mobile phones. Each of the 5/6 classes viewed a DVD and engaged in educational sessions which were extremely valuable in raising the students’ awareness of the importance of vigilance and extreme care when using these tools. We would like you to continue these discussions at home and the DVDs are available for you to borrow from Karen McHugh should you wish to view them to support this message at home.

Acting Principal.

SCHOLASTIC BOOK FAIR - A great opportunity to purchase presents for birthdays or Christmas at a great price whilst supporting our school in the Literacy program.

We will be setting up a display of wonderful books in the Open Learning Centre (OLC), where they will be available for viewing & purchasing from Monday 25th August to Wednesday 3rd September at 8.45-9.30am and 3-4pm.

Each class & child will get the chance to view these books during this week with their teacher and they will create their own ‘wish lists’ at this time.

Prices range from $1 to $30, so there is something for everyone. We look forward to seeing you there during the ‘Book Week’ celebrations!

Working Bee Call Out

The School Council is planning to construct an outdoor stage to be used by the students as both a play area and for staging formal or informal performances. Materials have been generously donated by Daylesford Timber and Hardware and Tony Cochrane, one of our parents. The finished stage will be approximately 3m deep and 6m long, located at the North end of the auditorium/gym, just behind the music room. Hepburn Shire Council have been involved in the planning process and have given advice and guidance and now we are ready to start the construction phase of this project.

The council intends to hold working bees to carry out the construction, and are currently seeking volunteers to support this project. Experience in building is not necessary, so anyone can volunteer, from professional builders to compete novices. All that is required is a willingness to help our children have a full and creative school life at Daylesford Primary School. Tools will be available, although if volunteers have tools they wish to use they can feel free to bring them along. There will be experienced builders assisting, so if you haven’t had much building experience but want to learn this could be a golden opportunity. We are also happy to have older students from grades 5 & 6 participate with their parents supervision, so if you want to bring them along this would again be a great learning opportunity for them. We anticipate starting construction in mid Sept, and would like to have it finished over 2 weekends, depending on the number of volunteers. We are hoping to have a B-B-Q lunch supplied on the days of the working bee, and it promises to be a really fun day.

Proposed dates are: 11-12 October and 25-26 October (if required).

Anyone who is interested in helping out should contact Ross Redwin on 0438 077 620, or 5348 6772, or leave their information with the office.
