be caring and compassionate - be a good citizen

Current Focus

Co-operation (including others)

Including others in your games and activities makes everyone feel good. It means that you are generous, willing to share your time with others and that you care about their feelings. If you include others in your games, they are more likely to include you when you are looking for someone to play with or talk to.

Look around and see if there are others who might like to join in. Sometimes they might not ask to join in but they may be standing close by. Remember there are many ways that we can include others when we are working in our classrooms, group work and in other learning situations.

Swiss Italian Festa

This Saturday the 15th November, DPS children, along with Daylesford and Yandoit Primary Schools, will be participating in the Swiss Italian Festa Grande Parade and Performance. The children have been working hard at making masks for the parade. The Parade begins at the Savoia Hotel Carpark (Main Road, Hepburn) at 10.30am. Please arrive at around 10.15am to assemble our group. Children are encouraged to dress up – in their olden day attire.

The parade runs down the main road, Hepburn Springs and concludes at the Mineral Springs Reserve. The performance will take place at the Springs Reserve Soundshell at approximately 11.00am. Looking forward to seeing you there!

After School Supervision

A number of children are running off to play in the grounds after school. As the teachers are often busy with meetings, it is very important that parents supervise their own children at that time.

Firstly, children need to check in with their parents and if you allow them to stay and play, then in the interests of their safety, please ensure they are supervised at all times.

Coliban Water Excursion

On Tuesday, Drummond Primary School went on an excursion to the Coliban Reservoir to learn about saving water. It sounds like all had a fantastic day.

“In the morning the school went to the reservoir. When we got there, we lined up, in pairs. We all went in a tunnel. It was very special.” by Taylor.

“Today the school went for an excursion to the Lauriston reservoir. At the reservoir we were allowed to go in the cave. Outside, there was a thin water pipe and when we went in, the man called Andrew turned on a pipe and we went back outside and the sprayer was pointed upwards. I was amazed that it went up so high so quickly.” by Mia T.

“On the 11.11.14 our school went to the Lauriston dam. We were very lucky because we were the first school to go in the cave. I was actually quite shocked.” by Alice.

“My day to Lauriston Reservoir. I went to Lauriston reservoir. I went inside the waterfunnel. It looked like a minecraft dungeon. I was scared so I went out.” by Angus.
Sun Smart
A reminder to parents that we are a Sun Smart School. School hats are to be worn at recess, lunchtime and sport during Terms 1 and 4.

Classroom Cooking
We are planning on cooking Swedish Meatballs for this Friday’s lunch. There will be a vegetarian option of fake-meat (quorn) balls for the vegos among us! Please do not bring lunch. Please do bring $2.00 per student.

Daylesford Show
Drummond PS children will be participating in the school art show at the Tom Ford Pavilion
