David Garner.
Welcome back to term 4 everyone. I was excited to see all the children this week and to hear of their holiday adventures.

A warm welcome to our new families, I know Daylesford will embrace our new arrivals and make them feel very welcome. Ahlia starts in 5/6P, Tom starts in 56C, Mathew starts 2ST and Jimmy and Elvie have returned.

Last term was a highly successful term with many highlights. You would remember that we conducted a ‘Jump Rope for Heart’ event in our family groups in the last week. Money raised totalled $1413 which has been passed onto the National Heart Foundation. This is a terrific effort by the children and families.

In the lead up to the Swiss Italian Festa, we are yet again conducting a number of activities to promote and encourage participation in this wonderful community event. The lantern workshops this week were highly successful and engaging. Can I refer you to the front page of the newsletter where all the dates and events are listed. I look forward to seeing you at Festa Parade on Saturday the 24th October.

Well done and thank you to all the families who adjusted quickly to daylight saving and presented the children on time and in uniform. As the weather has warmed quickly we have reminded the children about our broad brim hat policy. ‘No hat no play’ was put in place this week.

Finally, I would like to wish the seven students who are competing in the Regional Athletics next Friday at Llanberris in Ballarat good luck. Do your best and well done reaching this level.

**CYBERSAFETY SESSIONS**

As the prevalence of social media increases it is of great importance children learn how to do this in the safest manner possible.

As detailed in the letter sent home to all families this week, to support parents we have arranged for Victorian Police Youth Resource Officer, Snr Constable Des Hudson to deliver a cybersafety session to ALL Parents of Daylesford Primary School on Thursday 29th October, from 5.15-6.45pm in the OLC. Please note: this is a parent-focused session and not designed for children to attend.

(A separate morning session on Thurs 22 Oct will be held just for all Year 5 & 6 students)

**PINOCCHIO ART COMPETITION**

This popular competition really sparked the kids imagination last year. We invite students to explore this year’s Festa theme *There is no place like home* and how that may relate to Pinocchio’s classic story.

Entries can be either 2D or 3D but only one entry to be submitted per artist.

Students will be doing a drawing in Italian classes. They are welcome to do a 3D entry at home. If your child decides to do this, they need to give it to me and I will remove their drawing entry. Any entry done at home needs to be the work of the student only.

Be sure to write or securely attach your name, school and class to the back of your art (to ensure impartial judging). There will be a prize for each grade level and for the most original and attention grabbing piece. Your art work will be judged by our talented local artist Keele Breen.

**WHEN:** Deliver art to Trudi Blick, Daylesford Primary School prior to 4pm on or before Tuesday 13th, October 2015

**WHERE:** Daylesford Primary School, Vincent Street, Daylesford.

Prize winners will be notified in advance and presented with their prizes, 12 midday at The Family Festa Day, October 24th.

Current Focus
Persistence (Seeing it through)

There are few more admired qualities in people than persistence / perseverance and that means seeing something through from beginning to end. So many people have this quality and it is one we should all aspire to. “Seeing it through” means starting anything from a puzzle, a book, a job around the house, schoolwork, training, etc and persisting until it is finished/or the job is done. Even when things get difficult you shouldn’t give up and walk away from it. Come back to it and take another look: you might ask questions, do some research, work a little harder, get someone to help/advise you but don’t give up! Be prepared to try doing things in a different way. Mostly it means persisting (sticking with it) and working with what you started until you are happy with your achievement/or the end result!

David Garner.

Term 4 2015 No. 29 Friday 9th October, 2015. Current Focus: “Persistence”
Welcome back to term 4 everyone. I was excited to see all the children this week and to hear of their holiday adventures.

A warm welcome to our new families, I know Daylesford will embrace our new arrivals and make them feel very welcome. Ahlia starts in 5/6P, Tom starts in 56C, Mathew starts 2ST and Jimmy and Elvie have returned.

Last term was a highly successful term with many highlights. You would remember that we conducted a ‘Jump Rope for Heart’ event in our family groups in the last week. Money raised totalled $1413 which has been passed onto the National Heart Foundation. This is a terrific effort by the children and families.

In the lead up to the Swiss Italian Festa, we are yet again conducting a number of activities to promote and encourage participation in this wonderful community event. The lantern workshops this week were highly successful and engaging. Can I refer you to the front page of the newsletter where all the dates and events are listed. I look forward to seeing you at Festa Parade on Saturday the 24th October.

Well done and thank you to all the families who adjusted quickly to daylight saving and presented the children on time and in uniform. As the weather has warmed quickly we have reminded the children about our broad brim hat policy. ‘No hat no play’ was put in place this week.

Finally, I would like to wish the seven students who are competing in the Regional Athletics next Friday at Llanberris in Ballarat good luck. Do your best and well done reaching this level.

Peter Burke

**CYBERSAFETY SESSIONS**

As the prevalence of social media increases it is of great importance children learn how to do this in the safest manner possible.

As detailed in the letter sent home to all families this week, to support parents we have arranged for Victorian Police Youth Resource Officer, Snr Constable Des Hudson to deliver a cybersafety session to ALL Parents of Daylesford Primary School on Thursday 29th October, from 5.15-6.45pm in the OLC. Please note: this is a parent-focussed session and not designed for children to attend.

(A separate morning session on Thurs 22 Oct will be held just for all Year 5 & 6 students)

**PINOCCHIO ART COMPETITION**

This popular competition really sparked the kids imagination last year. We invite students to explore this year’s Festa theme *There is no place like home* and how that may relate to Pinocchio’s classic story.

Entries can be either 2D or 3D but only one entry to be submitted per artist.

Students will be doing a drawing in Italian classes. They are welcome to do a 3D entry at home. If your child decides to do this, they need to give it to me and I will remove their drawing entry. Any entry done at home needs to be the work of the student only.

Be sure to write or securely attach your name, school and class to the back of your art (to ensure impartial judging). There will be a prize for each grade level and for the most original and attention grabbing piece. Your art work will be judged by our talented local artist Keele Breen.

**WHEN:** Deliver art to Trudi Blick, Daylesford Primary School prior to 4pm on or before Tuesday 13th, October 2015

**WHERE:** Daylesford Primary School, Vincent Street, Daylesford.

Prize winners will be notified in advance and presented with their prizes, 12 midday at The Family Festa Day, October 24th.

Persistence (Seeing it through)

There are few more admired qualities in people than persistence / perseverance and that means seeing something through from beginning to end. So many people have this quality and it is one we should all aspire to. “Seeing it through” means starting anything from a puzzle, a book, a job around the house, schoolwork, training, etc and persisting until it is finished/or the job is done. Even when things get difficult you shouldn’t give up and walk away from it. Come back to it and take another look: you might ask questions, do some research, work a little harder, get someone to help/advice you but don’t give up! Be prepared to try doing things in a different way. Mostly it means persisting (sticking with it) and working with what you started until you are happy with your achievement/or the end result!

Parent Newsletter Week 1 Term 4

- Welcome back
- Welcome to our new families
- JRFH
- Lantern workshops
- Hats

Welcome back to term 4 everyone. I was excited to see all the children this week and to hear of their holiday adventures.

A warm welcome to our new families, I know Daylesford will embrace our new arrivals and make them feel very welcome. Ahlia starts in 5/6P, Tom starts in 56C, Mathew starts 2ST and Jimmy and Elvie have returned.

Last term was a highly successful term with many highlights. You would remember that we conducted a ‘Jump Rope for Heart’ event in our family groups in the last week. Money raised totalled $1413 which has been passed onto the National Heart Foundation. This is a terrific effort by the children and families.

In the lead up to the Swiss Italian Festa, we are yet again conducting a number of activities to promote and encourage participation in this wonderful community event. The lantern workshops this week were highly successful and engaging. Can I refer you to the front page of the newsletter where all the dates and events are listed. I look forward to seeing you at Festa Parade on Saturday the 24th October.

Well done and thank you to all the families who adjusted quickly to daylight saving and presented the children on time and in uniform. As the weather has warmed quickly we have reminded the children about our broad brim hat policy. ‘No hat no play’ was put in place this week.

Finally, I would like to wish the seven students who are competing in the Regional Athletics next Friday at Llanberris in Ballarat good luck. Do your best and well done reaching this level.

Peter Burke

**CYBERSAFETY SESSIONS**

As the prevalence of social media increases it is of great importance children learn how to do this in the safest manner possible.

As detailed in the letter sent home to all families this week, to support parents we have arranged for Victorian Police Youth Resource Officer, Snr Constable Des Hudson to deliver a cybersafety session to ALL Parents of Daylesford Primary School on Thursday 29th October, from 5.15-6.45pm in the OLC. Please note: this is a parent-focussed session and not designed for children to attend.

(A separate morning session on Thurs 22 Oct will be held just for all Year 5 & 6 students)

**PINOCCHIO ART COMPETITION**

This popular competition really sparked the kids imagination last year. We invite students to explore this year’s Festa theme There is no place like home and how that may relate to Pinocchio’s classic story.

Entries can be either 2D or 3D but only one entry to be submitted per artist. Students will be doing a drawing in Italian classes. They are welcome to do a 3D entry at home. If your child decides to do this, they need to give it to me and I will remove their drawing entry. Any entry done at home needs to be the work of the student only.

Be sure to write or securely attach your name, school and class to the back of your art (to ensure impartial judging). There will be a prize for each grade level and for the most original and attention grabbing piece. Your art work will be judged by our talented local artist Keele Breen.

**WHEN:** Deliver art to Trudi Blick, Daylesford Primary School prior to 4pm on or before Tuesday 13th October, 2015

**WHERE:** Daylesford Primary School, Vincent Street, Daylesford.

Prize winners will be notified in advance and presented with their prizes, 12 midday at The Family Festa Day, October 24th.
LANTERN MAKING WORKSHOPS

Masha and I, Alex.D (the LOTE Captain) helped them make the lanterns with the help of parents, teachers and the person who taught us, Bec. Everyone did their best and they looked fantastic! More were made by the rest of the school on Wednesday.

Welcome back to term 4 everyone. I was excited to see all the children this week and to hear of their holiday adventures.

A warm welcome to our new families, I know Daylesford will embrace our new arrivals and make them feel very welcome. Ahlia starts in 5/6P, Tom starts in 56C, Mathew starts 2ST and Jimmy and Elvie have returned.

Last term was a highly successful term with many highlights. You would remember that we conducted a ‘Jump Rope for Heart’ event in our family groups in the last week. Money raised totalled $1413 which has been passed onto the National Heart Foundation. This is a terrific effort by the children and families.

In the lead up to the Swiss Italian Festa, we are yet again conducting a number of activities to promote and encourage participation in this wonderful community event. The lantern workshops this week were highly successful and engaging. Can I refer you to the front page of the newsletter where all the dates and events are listed. I look forward to seeing you at Festa Parade on Saturday the 24th October.

Well done and thank you to all the families who adjusted quickly to daylight saving and presented the children on time and in uniform. As the weather has warmed quickly we have reminded the children about our broad brim hat policy. ‘No hat no play’ was put in place this week.

Finally, I would like to wish the seven students who are competing in the Regional Athletics next Friday at Llanberris in Ballarat good luck. Do your best and well done reaching this level.

Term 4 2015 No. 29 Friday 9th October, 2015.
Current Focus: “Persistence”
Be Respectful, Be a Responsible Learner, Be Honest and Trustworthy
Be Caring and Compassionate, Be a Good Citizen

Current Focus
Persistence (Seeing it through)

There are few more admired qualities in people than persistence / perseverance and that means seeing something through from beginning to end. So many people have this quality and it is one we should all aspire to. “Seeing it through” means starting anything from a puzzle, a book, a job around the house, schoolwork, training, etc and persisting until it is finished/or the job is done. Even when things get difficult you shouldn’t give up and walk away from it. Come back to it and take another look: you might ask questions, do some research, work a little harder, get someone to help/advice you but don’t give up! Be prepared to try doing things in a different way. Mostly it means persisting (sticking with it) and working with what you started until you are happy with your achievement/or the end result!

David Garner.

Term 4 2015 No. 29 Friday 9th October, 2015.
Current Focus

Persistence (Seeing it through)

There are few more admired qualities in people than persistence / perseverance and that means seeing something through from beginning to end. So many people have this quality and it is one we should all aspire to. “Seeing it through” means starting anything from a puzzle, a book, a job around the house, schoolwork, training, etc and persisting until it is finished/or the job is done. Even when things get difficult you shouldn’t give up and walk away from it. Come back to it and take another look: you might ask questions, do some research, work a little harder, get someone to help/advise you but don’t give up! Be prepared to try doing things in a different way.

Mostly it means persisting (sticking with it) and working with what you started until you are happy with your achievement/or the end result!

David Garner.

BY APPOINTMENT ONLY

Be Respectful, Be a Responsible Learner, Be Honest and Trustworthy
Be Caring and Compassionate, Be a Good Citizen
Welcome back to term 4 everyone. I was excited to see all the children this week and to hear of their holiday adventures.

A warm welcome to our new families, I know Daylesford will embrace our new arrivals and make them feel very welcome. Ahlia starts in 5/6P, Tom starts in 56C, Mathew starts 2ST and Jimmy and Elvie have returned.

Last term was a highly successful term with many highlights. You would remember that we conducted a ‘Jump Rope for Heart’ event in our family groups in the last week. Money raised totalled $1413 which has been passed onto the National Heart Foundation. This is a terrific effort by the children and families.

In the lead up to the Swiss Italian Festa, we are yet again conducting a number of activities to promote and encourage participation in this wonderful community event. The lantern workshops this week were highly successful and engaging. Can I refer you to the front page of the newsletter where all the dates and events are listed. I look forward to seeing you at Festa Parade on Saturday the 24th October.

Well done and thank you to all the families who adjusted quickly to daylight saving and presented the children on time and in uniform. As the weather has warmed quickly we have reminded the children about our broad brim hat policy. ‘No hat no play’ was put in place this week.

Finally, I would like to wish the seven students who are competing in the Regional Athletics next Friday at Llanberris in Ballarat good luck. Do your best and well done reaching this level.

Peter Burke

CYBERSAFETY SESSIONS

As the prevalence of social media increases it is of great importance children learn how to do this in the safest manner possible.

As detailed in the letter sent home to all families this week, to support parents we have arranged for Victorian Police Youth Resource Officer, Snr Constable Des Hudson to deliver a cybersafety session to ALL Parents of Daylesford Primary School on Thursday 29th October, from 5.15-6.45pm in the OLC. Please note: this is a parent-focussed session and not designed for children to attend.

(A separate morning session on Thurs 22 Oct will be held just for all Year 5 & 6 students)

PINOCCHIO ART COMPETITION

This popular competition really sparked the kids imagination last year. We invite students to explore this year’s Festa theme There is no place like home and how that may relate to Pinocchio’s classic story.

Entries can be either 2D or 3D but only one entry to be submitted per artist.

Students will be doing a drawing in Italian classes. They are welcome to do a 3D entry at home. If your child decides to do this, they need to give it to me and I will remove their drawing entry. Any entry done at home needs to be the work of the student only.

Be sure to write or securely attach your name, school and class to the back of your art (to ensure impartial judging). There will be a prize for each grade level and for the most original and attention grabbing piece. Your art will be judged by our talented local artist Keele Breen.

WHEN: Deliver art to Trudi Blick, Daylesford Primary School prior to 4pm on or before Tuesday 13th, October 2015
WHERE: Daylesford Primary School, Vincent Street, Daylesford.

Prize winners will be notified in advance and presented with their prizes, 12 midday at The Family Festa Day, October 24th.
LANTERN MAKING WORKSHOPS
On Tuesday 6th of October we made paper Lanterns with Preps and Grades 1, 2, 3 and 4. Masha and I, Alex.D (the LOTE Captain) helped them make the lanterns with the help of parents, teachers and the person who taught us, Bec. Everyone did their best and they looked fantastic! More were made by the rest of the school on Wednesday.

Welcome back to term 4 everyone. I was excited to see all the children this week and to hear of their holiday adventures.

A warm welcome to our new families, I know Daylesford will embrace our new arrivals and make them feel very welcome. Ahlia starts in 5/6P, Tom starts in 56C, Mathew starts 2ST and Jimmy and Elvie have returned.

Last term was a highly successful term with many highlights. You would remember that we conducted a ‘Jump Rope for Heart’ event in our family groups in the last week. Money raised totalled $1413 which has been passed onto the National Heart Foundation. This is a terrific effort by the children and families.

In the lead up to the Swiss Italian Festa, we are yet again conducting a number of activities to promote and encourage participation in this wonderful community event. The lantern workshops this week were highly successful and engaging. Can I refer you to the front page of the newsletter where all the dates and events are listed. I look forward to seeing you at Festa Parade on Saturday the 24th October.

Well done and thank you to all the families who adjusted quickly to daylight saving and presented the children on time and in uniform. As the weather has warmed quickly we have reminded the children about our broad brim hat policy. ‘No hat no play’ was put in place this week.

Finally, I would like to wish the seven students who are competing in the Regional Athletics next Friday at Llanberris in Ballarat good luck. Do your best and well done reaching this level.

Current Focus: “Persistence”
Current Focus

Persistence (Seeing it through)

There are few more admired qualities in people than persistence / perseverance and that means seeing something through from beginning to end. So many people have this quality and it is one we should all aspire to. “Seeing it through” means starting anything from a puzzle, a book, a job around the house, schoolwork, training, etc and persisting until it is finished/or the job is done. Even when things get difficult you shouldn’t give up and walk away from it. Come back to it and take another look: you might ask questions, do some research, work a little harder, get someone to help/advise you but don’t give up! Be prepared to try doing things in a different way. Mostly it means persisting (sticking with it) and working with what you started until you are happy with your achievement/or the end result!

David Garner.
