Current Focus

**INTEGRITY**

Being honest and following your principles
We can be regarded as a person who has integrity through what we do and say. Our integrity can be clearly seen by our conduct, how we work and how we interact with other people both at school and at home.

Some of the qualities that people demonstrate when they have integrity:
- Honesty
- Being fair
- Keeping your commitments
- Accept responsibility for actions
- Being trustworthy
- Showing respect

Being a person of integrity is something we all want to be. These qualities will be evident in our play, when we are working with others in class, at home and when we are involved in our wider community. Some people say that integrity means: ‘who you are when no-one is watching!’

David Garner.
