CURRENT FOCUS

Goal Setting

Setting goals means working out what you want to achieve before you start! If you do this well then you can achieve what you want. When setting goals try to make them realistic – in other words, try to aim for something that you can achieve and most importantly aim for something you really want to achieve. We can set ourselves short term and long term goals. You may have goals with your learning and interactions at school and goals outside school (sport, music, at home, helping others in the community) too!

Work out what you want and go for it!
I am very much looking forward to a positive and productive, even if icy, second semester.

David Garner

STUDENT PARENT TEACHER INTERVIEWS

Due to the short timeline, interview times have been allocated to each student. This note is attached to this Newsletter. If this time does not suit, please ring Nicole on Monday or Jose on Tues to swap your times.

Please note students attend only at the interview time on this day.

NOTES

- Letter about CSEF grant has been included with Newsletter. Please return tear off form by Wednesday 29th July.
- Please return any Unexplained Absence Notes given out last term by Monday 27th July.

Wednesdays
Acrobatics and circus
5-8yrs 4-5.30pm
Teens/adults, all levels, personal training plan
5.45-7pm

Call Mara 0477499342

The mid-year break provides both an opportunity to reflect on and measure how far we have come, and to set goals to focus on in the second semester. I would like to start this reflection with a celebration of the successes in the last two weeks of Term Two.

The Major Games Day took place on the last Thursday of Term Two. Our Year 5/6 students represented our school proudly. The reports I have had around sportsmanship, support, positive role modelling, helping other schools and respect have been overwhelming. Well done to these students and thank you.

The first few weeks of this term are all about goal setting. The children and teachers will take stock of achievements in Semester 1 and use this to set and monitor goals with the students for the rest of the year. These goals, along with the semester 1 reports will be discussed at the Parent-Teacher-Student interviews next Wednesday 29th July. A wonderful opportunity for the children to talk about their learning and their goals with both you and their teacher. A note has been included with this Newsletter re times for each student’s interview. A reminder there are no regular classes on this day, but it is important that the children attend these interviews.

School photos arrived and were distributed this week. I am very pleased with the quality.
