I have reflected on the term, recognising that it has been a very short, but dynamic term. I am very pleased with the learning relations that have been developed across the school, between staff, students and parents. The learning culture is present every day and our very dedicated staff are making a difference on a daily basis. Some of the highlights include; our focus of the fortnight, the swimming program, House Swimming Sports, home reading achievements, Family Groups,

Police have been having a presence outside Daylesford Primary School and are booking drivers who are crossing over the double white lines. I would like to take this opportunity to ask all families at our Annexes also if they could observe safe parking and driving outside our Annexe schools.

Finally, all the best for the Easter Holiday. I look forward to an exciting term 2.
