WALK TO SCHOOL OCTOBER

Congratulations to all the students, parents and teachers and pets, who walked, rode their bikes or scooters to school during the month of October. Jose even said we had a pogo stick and a wheel chair.

A fabulous effort everyone!
CURRENT FOCUS

Co-operation (Including Others)

Including others in your games and activities makes everyone feel good. It means that you are generous, willing to share your time with others and that you care about their feelings. If you include others in your games, they are more likely to include you when you are looking for someone to play with or talk to.

Look around and see if there are others who might like to join in. Sometimes they might not ask to join in but they may be standing close by. Remember there are many ways that we can include others when we are working in our classrooms, group work and in other learning situations.

David Garner.

PRINCIPALS REPORT

Next Wednesday is Remembrance Day. The School Captains and myself will be attending the RSL ceremony at the Cenotaph in Daylesford and we have two children attending the ceremony at the Shrine of Remembrance in Melbourne who are finalist in the poster competition. Congratulations and good luck to Jasmine Gruar and Lulu Partyka Turnbull.

We are looking forward to our final Prep Transition at Yandoit on Friday 13th November. Lysia, Sebastian and Soloman have settled in so well.

A reminder, Wednesday 18th is a pupil free day, the staff will be involved in Planning for 2016, and writing reports. A very full day for staff!

Based on a dry Spring and pending dry & hot Summer we will be discussing and practicing our Emergency Management Plan with all the students over the coming weeks.

There are number of outstanding parent payments, which is concerning at this time of the year. A final parent statement will be issued in the next two weeks. We appreciate those parents who have attended to this matter already as this payment is vital to our school’s finances.

A number of staff are getting behind Movember. The Movember Foundation is a global charity committed to men living happier, healthier, longer lives. Since 2003, millions have joined the men’s health movement, raising $685 million and funding over 1,000 programs focusing on prostate cancer, testicular cancer, poor mental health and physical inactivity. If you would like to support the foundation you can log onto our school site.
