A NOTE FROM NICOLE

In the art room the class is busily working on landscapes to enter into the Children's Landscape Prize Exhibition that is part of the upcoming (Next semester) Swiss Italian Festa. We have been taking advantage of some fantastic bright crisp days and are getting in early while we have the chance to be outside drawing and painting and enjoying some sunshine. I am also really enjoying the students bringing in artworks that they have been working on at home. It demonstrates their commitment and passion for their arts learning so if your student has something you think they might like to share please encourage them to bring it in on Mondays.

MID YEAR REPORTS

There has been a change of date so student's reports will be coming home with students this coming Monday 26th of June.

School Reports

All student reports will be distributed this coming Monday. There will be an opportunity early in Term 3 (late July) to have a Parent/Teacher Interview to support your child's learning as we enter the second half of the year. Thank you to everyone, parents, grandparents and siblings, who support the children's learning at home. Your support of your child's learning is invaluable and is demonstrated daily via the articulate and supported children of our beautiful schools.

Premier's Reading Challenge Book Donation

Our local State M.P., Mary Anne Thomas, will be attending Daylesford Primary School next Thursday at 2.45pm to donate a range of books to the school in support of the Premier's Reading Challenge. We look forward to Mary Anne's visit and her generous donation.

Final Day of Term Two

Please note that Friday the 30th of June is the final Friday of Term 2. The children will be dismissed at 2.30.

Enjoy your weekend!

“Goal Setting”

Setting goals means working out what you want to achieve before you start! If you do this well then you can achieve what you want. When setting goals try to make them realistic – in other words, try to aim for something that you *can* achieve and most importantly aim for something you really *want* to achieve. We can set ourselves short term and long-term goals. You may have goals with your learning and interactions at school and goals outside school (sport, music, at home, helping others in the community) too!

Work out what you want and go for it!

EARLY DISMISSAL WEDNESDAYS 3PM

AN IMPORTANT REMINDER

In term 2, we will be introducing an **Early Dismissal of 3pm on every Wednesday**. So that the hours of class time are not affected, lunch will be reduced to 30 minutes from 1-1.30 on this day

BOOK CLUB

The new catalogue has not arrived yet but I just thought I would remind you that the online app is available. We have had one parent use it and it seemed to go very smoothly

ONLINE ORDERING FOR BOOK CLUB

Simply search for the book clubs loop free app
in your app store and follow the prompts.

A Note about Book Club

Book Club is a fundraising activity for our school, as every time a book is ordered, the school receives bonus vouchers and points to enable the school to get books for the library at no cost.

ALL VOLUNTEERS

When volunteering at school, working with children checks are now required in line with The Child Safe Standards.

WWC forms are available on line

<http://www.workingwithchildren.vic.gov.au>

Volunteer checks are free of charge.

All volunteers are to present their WWCC card to Nicole for registration with DPS office before commencing volunteering

Late Arrival and Early Departure

Students being dropped off late to school must be signed in under parent supervision. We ask that parents accompany their child to class to ensure constant supervision.

In the case of early departure from school a reminder that a blue early departure form must be completed. This must then be taken and given to your child's teacher before they can release the child from their care.

SOME LUNCH BOX SUGGESTIONS

.... If you have an idea to share, we would love to hear it.

HOMEMADE SOUP

Homemade soup can be a wonderful and healthy option for your children's lunchbox- especially during the colder months. Soup can be easily frozen into lunch size portions. Heat soup up in the morning before school and pack in a thermos ready for lunch that day. Soups with lots of vegetables are a great choice as they help to ensure your children are on the way to meeting the 5 recommended serves of vegetables for the day. Below is a recipe for some Pumpkin, Carrot and Potato soup which falls into the **GREEN** category of the traffic light system!

PUMPKIN, CARROT AND POTATO SOUP

Serves: 6

Ingredients:

- 1 small butternut pumpkin, peeled and diced (ripe, not fibrous – buy 2 cut halves so you can see the pumpkin)
- 1 large carrot, peeled and diced
- 1 large potato, peeled and diced
- 1 large onion, chopped
- 2 large garlic cloves, sliced
- 1 litre of salt-reduced chicken stock
- 1 Massel vegetable stock cube dissolved in 1 tablespoon of hot water
- 1 teaspoon curry paste (or powder)
- Black pepper to taste
- 1 tablespoon olive oil

Method:

1. In a large pan, gently fry the onion in olive oil, add the sliced garlic cloves and cook until soft
2. Add the curry paste or powder and cook for one minute
3. Add all the prepared vegetables and the chicken stock, then bring to the boil
4. Lower the heat, cover with the pan lid and simmer gently until the vegetables are tender
5. Blend the soup and season with black pepper
