SUNSMART PROGRAM AT DAYLESFORD, DRUMMOND & YANDOIT P.S.
As Sunsmart accredited schools, we are very much aware of the considerations that need to be undertaken to protect all children, staff and parents from the harmful over exposure to the sun. We are thrilled that all students wear their broad brimmed hat during terms one and four, as well as other designated months when the harmful effects are acknowledged. We ask parents to educate their children and apply sunscreen each morning before school. Each class has a pump pack of factor 50 sunscreen and this will be regularly changed to ensure that children have the availability of sunscreen. I encourage all parents to provide their own sunscreen for their child and this can be applied before the regular school breaks (lunch/recess). Likewise, we encourage children to utilise shady areas around the school as an effective natural method of protecting their skin from over exposure. We, as a school, also provide lessons in support of raising awareness of the harmful effects of overexposure to the sun. Please contact your child’s teacher or myself if you wish to discuss this further.

JUNIOR ATHLETICS CARNIVAL
What a fantastic opportunity for all children in years Foundation to Two, at all of our three sites, to participate in a fun athletics carnival. It was wonderful to witness the enjoyment and effort of all participants and likewise the active support of parents and grandparents. Congratulations to all the organisers but special congratulations to all our athletes who competed on the day! Well done!

WALK TO SCHOOL MONTH: OCTOBER
As our Walk to School month comes to a conclusion it has been wonderful to witness the various ways that children and parents have supported this program. We celebrated on Thursday with our Community breakfast, hosted in the gym, where children and community were able to eat a healthy breakfast. This was provided for with the assistance of the Hepburn Shire and likewise the Victorian Government. I would like to thank all those parents and community members who have proactively assisted with both the community breakfast and engaging with their families in fun walking activities throughout the month.

T20 CRICKET
Today we had 5 teams, 3 boys and 2 girls compete in a major cricket carnival at Ballarat’s Victoria Park against many other schools. This is a wonderful opportunity to compete in a significant program that promotes the fun element of team sports. We look forward to seeing how our teams go!

STATE ATHLETICS CHAMPIONSHIPS MONDAY 29TH OCT
We wish Charlotte Streat and our relay team consisting of Jessica Santurini, Evie Douglas, Erin Childs & Alice Glen well as they represent our school in the State Primary Schools Athletics Championships this Monday at Albert Park, Melbourne. Well done to all and best wishes!

DELICIOUS SAUSAGE ROLLS
A huge thank you to the parents who prepared the delicious sausage rolls which are available at our canteen for a limited time! Very much appreciated.

TRANSITION FOR 2019 FOUNDATION STUDENTS
We have posted out our transition information flyers outlining the parent information, the designated times and requirements for the three transition mornings. We are very excited as a school to welcome all 2019 foundation students as they commence their formal primary schooling education. We certainly look forward to engaging with these wonderful young people and likewise we very much look forward to sharing information to all parents during these transition opportunities.

ARMISTICE GARDEN
I know that there have been many people commenting on the continued construction of the schools Armistice Garden. We are certainly encouraged by the features and acknowledge all the time and commitment of Toby Sime who has volunteered his time and energy in ensuring that this garden truly reflects the importance of those who served to support the peace of our nation. Thank you again Toby!

I hope everyone enjoys their weekend.

Sports Report
So many things to cover. I thought we were getting towards the end of the year and the sports events our children are involved in were coming to an end. How wrong I am. It has been an amazing few weeks with students across all year levels competing in various sports.

Firstly, I would like to extend our ‘Good Luck’ to Jessica Santurini, Erin Childs, Alice Glen, Evie Douglas and Charlotte Streat who are all competing at state level athletics this Monday at Albert Park, Melbourne. This is an amazing achievement when you consider they have progressed through four levels of competition to reach where they are today. I know that as a school we are all proud of the girls’ achievement. Good Luck Girls!

Secondly, last Friday we had our second ‘Junior Athletics Day’ at school for the Foundation to Grade 2 students. I acknowledged this at assembly but I would like to revisit what Buster Hryckow did on the day. He displayed outstanding sportsmanship when he turned around in his 300m race and picked up a fellow student (who fell) and ran with them for the rest of the race. Buster you are the winner in that race. Well done!

As for the day, the weather was on our side, it turned out to be a beautiful day for the children to participate, and for those parents and family members who came to watch. I was amazed at the determination, persistence and application all the students displayed in all their events. I have to admit my favourite events were the javelin (foam ones of course) and the “Hoop Hop”. I think what also inspired the students was the older grades coming to watch and support. It was great to stand at the end of the 50m running track and see both sides of the track filled with students cheering the runners on. Well done all. Congratulations must go out to Corinella for winning this year’s event.

I would like to extend many thanks to the following people who contributed towards this day being a success. Firstly to all the school captains who helped, staff, parents and of course the students who participated. A big thank you must go out to Sherilee for her enthusiasm, dedication and organisation. Thanks to you all.

Finally, 41 Grade 5-6 students are going to Ballarat to participate in the T20 Cricket at Victoria Park this Friday. I know the students have been practising hard and they have built up their skills for the day. The weather for the day should be fine and we hope the five teams competing (2 boy and 3 girl) enjoy the day and more importantly have fun. We wish you all the very best.

Jump Rope prizes have been handed out this week and thank you to all those who raised money for this event. In total this year, we raised over $1500 for the Heart Foundation. Look forward to 2019 and we try to break that tally. Well done all!

Thanking you,
Andrew Kiellerup
